Emniyet Evler Mahallesi Eski  
Büyükdere St. Sapphire Site  
No:1/1 Kağıthane İstanbul

ikinokta is a mechatronics engineering company that offers its Project-Based services such as

- Field Trip,
- Analyze,
- Design,
- Proposal,
- Production,
- Assembly,
- Project Commissioning and
- After Sales Support

on

- Automation Systems,
- Manufacturing Machine Engineering & Designing, and Low & High Voltage Current Systems.

With a mission of being a pioneer engineering company in Turkey on its niche, ikinokta owes its long term partnerships to putting highest importance on "Quality and Trust" since 2004.
